Notification of grant of a Visitor (subclass 600) visa

I wish to advise that a decision has been made on this application and visas have been granted on 05 June 2015 to the applicant(s) listed in the attached Visa Grant Notice, which contains important information about your visa(s).

Please keep a copy of this letter and the Visa Grant Notice in a safe place for your reference.

Please note: if your application contained multiple applicants, each applicant that has been granted a visa will be sent their own Visa Grant Notice. Any other applicants should not make arrangements to travel to Australia unless they have received their own Visa Grant Notice.

The date on this notification, and the date of visa grant, are according to Australian Eastern Standard Time [UTC +10] (incorporating Daylight Saving Time [UTC +11], if applicable) on the relevant day. Depending on your location, these dates may differ by one day from your local date and may be in the future. Despite this, your Australian visa is already in effect - there is no need to delay travel to Australia until the commencement of the later day.
